

Backstage  
Backstage during a show  
Everything glitters  
glorified things  
that once were ordinary...  
Curtains of plush  
Fall in clouds of black satin  
music from the five-person orchestra  
Is upbeat, professional  
Rustlings  
Images to the audience  
I'm surrounded by performers  
Swish  
Costumes  
Adorned with sparkling sequins  
Billow in the wind  
of a fan meant to keep  
flies away  
on this hot summer evening  
of success and dreams  
Backstage.
